Ministering to the Sick

Brief description: Stained glass panel from centre light showing a woman with ripped clothing holding another figure's hand. Made by Henry Holiday, 1907.

This stained glass panel is from the centre light of a larger window depicting scenes from the Ministry of Christ (ELYGM:1973.3). A woman depicted in rags, right breast exposed, grasps the hand of a woman in a fine red robe, whose lower half alone is visible in this panel. The woman is being given charity, perhaps in the form of the white cloth the woman in red is holding. The top half of this scene is depicted in ELYGM:1973.3.12.
