Patterned Quarries

Brief description: Two quarries, one with a leaf pattern, the other with a Celtic style motif.

A quarry, from the French carrÃ© ('square') is a square or diamond-shape piece of glass, often used in the background of stained glass windows. This quarry has been stamped with a patterned mould whilst the glass was still soft.

Object type: glass fragment

Number of objects: 2

Production date: 1

Dimensions: Height: 148 mm, Width: 105 mm

Acquisition: gift

Acquisition source: Wigley, George

Accession number: ELYGM:2008.8.10
