Brief description: Black and white photograph of East window at St Peter and St Paul, Tonbridge, Kent by Leonard Walker.

Black and white photograph of East window at St Peter and St Paul, Tonbridge, Kent. The window was installed in 1954 after the plain glass window was destroyed by a flying bomb in 1944. The central piece, and indeed the message of the window, is an image of Jesus Christ in glory and is based on a passage in Revelation 19, where Christ is 'crowned with many crowns.' In addition to the crowns, angels and musicians surround the glorified Saviour. The window consists of 5 main lights and 21 upper lights.
