

Christ with Apostles

Brief description: Coloured sketch design for a five-light perpendicular window depicting figures of four Apostles with Christ in the centre.

Coloured sketch design for a five-light perpendicular window depicting figures of four Apostles with Christ in the centre. This design relates to another in the collection - 2019.3.12 and may be an early design for the east window of St Mary in the Elm Church, Woodhouse, Leicestershire. This version of the design is closer to the final window as executed, although in the version made for the church the individual figures of Christ and the Apostles are shown under gothic canopies and the lower lights are not filled with heraldic panels but narrative scenes from Christ's final days.
