The Cutlers' Company was incorporated by an Act of Parliament in 1624. Prior to this a Cutler desirous of obtaining a "separate" or "trade" mark appeared with his petition before a jury in the Lord's Court. The earliest record extant is of that granted to William Elles. He received it at the Court held on 2nd October, 1554, and the entry translated is as follows:—

"To that Court came William Elles and took of the lord a private mark by himself for marking iron knives, such a mark as ■|•; to have and to use by himself; and if any other person should strike that mark and thereupon be convicted by verdict he should lose to the lord xxcs; and make amendment to the injured party; and he gave to the lord 1d. of yearly rent."

By Mr. Christopher Wren, from his window in the Chapter House in St. Paul's Cathedral.
