

**Brief description:** Colour photograph as part of a greetings card of a stained glass window of a floral bouquet held by angels.

This colour photograph is of a 3 light window depicting a floral bouquet supported by cherubs in the centre light, an inscription in the left light and a tree in the right hand light. The window was designed by Christopher Webb (1886–1966), an English stained glass designer based in St Albans, Hertfordshire. He studied at the Slade School of Art and was then articled to Sir Ninian Comper. During his active career from 1920 to 1964 he produced over 400 windows with a distinctive character and style. On the reverse 'The window was designed and made by Christopher Webb'; 'Printed by The Medici Society, London' is printed
