

Pattern shears

Brief description: A pair of pattern shears, from the studio of Ervin Bossanyi.

A pair of pattern shears, from the studio of Ervin Bossanyi. These pattern shears are used for cutting out templates for stained glass as they remove a thin strip of paper with each cut. This enables templates to be made which allow for a lead perimeter.

Object type: pattern shears

Number of objects: 1

Production date: 1

Production period: 20th century

Dimensions: Height: 196 mm, Width: 70 mm

Acquisition: gift 5.6.2024

Acquisition source:

Accession number: ELYGM:2024.22
